Dear Director,

I hope your fall has been going well and been great for you and your organization. My name is Tim Snyder, president of Box 5 Productions, your contracted audio & video company for the upcoming South Carolina Band Directors Association Marching Band Championships.

I am contacting you to tell you about an innovative, new and exciting program to not only help your staff, parents and students save money on their Championship Finals DVD's but also help your band program.

If you take advantage of our program you could reap great monetary help at a time when all band programs could use the help.

The program is simple; your program sells the DVD's and keeps the profits or even passes the savings along to your parents offering a bigger savings to your parents. **ALL ORDERS PLACED THROUGH THIS PROGRAM RECEIVE FREE SHIPPING.** So no matter what your parents save by using this program.

It is our pleasure to help your program benefit from this program. Your parents and students have been great to Box 5 Productions and we want to give back to each and every band program involved in state finals. Thank you for your time and effort in this program. And as a kicker, **ALL band programs involved in this program will receive a FREE Finals DVD.** Again, thank you for your time and we will look forward to hearing from you.

Tim Snyder
