

THE BAND OF BLUE

Dear Guard Parent:

We are very excited about this year's 2009 Winter Guard. Each color guard member needs to know what is expected of them and what we expect of them. Here are the dates for rehearsals and performances for the winter guard for the 2009 Spring Semester. Please go over this with your daughter and make sure you understand what is expected. Attendance at all of these rehearsals and performances are mandatory. We have tried to limit the number of rehearsals to a minimum this year, but at the same time ensure that we are performance ready. We will rehearse during class time on the days not listed.

Thank you,

Stacey Miller
Band of Blue Visual Coordinator
